

Think about how often you do each activity in a given week. Reference your grammar handout, if necessary for time markers. Then, write a sentence combining the information. For example,

1	
2	
3	
4	
5	
6	
7	
8	
9	
10	
11	
12	

Leo un libro por una hora casi siempre.

No leo un libro nunca.
